

# Extreme Networks Product Warranty Summary

**Introduction:** This is a summary of warranty information for Extreme’s products. The table below provides general product warranty information by product family. Please refer to the [Extreme Warranty Finder](#) for specific warranty information for product SKUs. In cases where the product warranty information in the table below differs from the warranty information in the Warranty Finder for a specific product, the warranty in the Warranty Finder will apply.

Extreme’s Product Warranty Policy is available at [Extreme Policies and Warranties](#).

**GTAC Support:** The Extreme GTAC delivery of service under warranty provides troubleshooting assistance only for product conformance with its published Documentation and hardware and software defects. To receive service from

Extreme’s GTAC for priority assistance, 24x7x365 support, troubleshooting and guidance with set up, configuration, interoperability or any additional advance technical troubleshooting, your product must be covered under an active ExtremeWorks service support contract. For complete details regarding the difference between GTAC service delivery under warranty versus a support contract, please visit [Extreme’s Maintenance Services](#) site.

**Freemium Content:** For customers who do not have warranty or service contract coverage, there are free resources available for assistance. These services include our [HUB community](#) and the [knowledge base](#). These self-service support options provide technical advice, feedback or recommendations to assist customers who are operating Extreme Network products and solutions.

## Extreme Product Warranty Summary

- Access to Extreme's GTAC for product warranty support line via email, web form or telephone is available from 8 AM to 5 PM (Monday to Friday) local End User's time for the purpose of confirming product conformance and diagnosing of basic hardware and software defects.
- Services Not Included.** Installation, network design and troubleshooting, configuration recommendations, complex topologies, consultation, and optimization services are not covered under product warranty, but are available for purchase through Extreme's authorized channel partners.
- Access to [Extreme Customer Support](#) website, which may include, but is not limited to: (i) information about status and/or review of known hardware and/or software issues/problems, (ii) access to technical documentation, (iii) the ability to log a case, (iv) information about the status of outstanding product RMAs.
- Certain products are entitled to publicly available Base Operational Software or Base Operational Software Upgrades and/or Updates that Extreme may develop and generally release on covered products, for the warranty period. "Base Operational Software" means embedded software that is required to operate an Extreme-branded network device product and is offered for sale as an inclusive component of such hardware network device product. Customers who desire specific feature updates, patches and fixes to be prioritized into future releases should purchase the appropriate support services from Extreme.
- Software release versions are indicated by A.B.C. "A" indicates a Major Release Number. Major software releases are **Upgrades**. "B" and "C" indicate Minor (sustaining) and Maintenance Release Numbers. Minor and Maintenance releases are Updates.
- Advance Replacement**
  - Extreme will process the Return Material Authorization (RMA) relating to the defective product per the Advanced Replacement Warranty RMA Times section of the Extreme Networks Service Availability Matrix at [Extreme Policies and Warranties](#), Monday through Friday, in order for the replacement product to ship by the end of day of the Next Business Day. Otherwise Second Business Day shipment will be provided.

- b. The replacement part will be shipped via economy service with shipping charges prepaid. Shipments are designed to achieve delivery to the customer within 5 to 10 business days from an Extreme regional parts depot. Variation in business delivery days is possible depending on country of destination or geographical location with the country or other factors.
  - c. Extreme will pay for the return freight of defective products from Customer to Extreme, including any applicable taxes, duties and custom fees to country of shipment destination. Any government or brokers fees associated with the return of products from Customer to Extreme in the country of origin is the Customer's responsibility. Customer must be the Exporter of Record for all product returns to Extreme. Extreme pays the freight of the product shipped to customer, excluding any applicable taxes, duties and custom fees in Customer's destination country. Extreme will not be the importer of record on any shipments to Customer.
  - d. Customer is responsible for returning the defective Product to an Extreme-authorized return facility. If Customer fails to return the defective Product within ten (10) business days of receipt of the replacement Product, Extreme reserves the right to invoice the customer at the List Price of the defective Product or product component.
7. **Return and Replace**
- a. Extreme will make commercially reasonable efforts to ship a repaired or replacement Product within ten (10) business days (depending upon affected product) of receipt of the defective Product at an Extreme facility.
- b. The replacement product will be shipped via economy service with shipping charges prepaid. Shipments are designed to achieve delivery to the customer within 5 to 10 business days from an Extreme regional parts depot. Variation in business delivery days is possible, depending on country of destination or geographical location within the country or other factors.
  - c. Customer pays for the return freight of the product to Extreme's designated location, including any applicable taxes, duties and custom fees in both country of origin and destination. Customer must be the Exporter of Record for all product returns to Extreme. Extreme pays the freight of the product shipped to Customer, excluding any applicable taxes, duties and custom fees. Customer must be the Importer of Record for all product returns to Customer.
8. **Product Lifetime** – Except where otherwise defined, a period of time commencing on the warranty start date and ending five years from the Product's announced end-of-sale date in accordance with Extreme's End of Life policy at [Extreme Policies and Warranties](#). The end-of-sale dates are defined in the Extreme End of Life Policy. **Exceptions:** Extreme Wireless Controllers Product Lifetime warranty duration is one year from the Product's end-of-sale date. Wireless LAN 9100 Product Limited Lifetime warranty duration is three years from the Product's end-of-sale date.
9. **Global Technical Support** – Provided via: Telephone, Online Support Portal and email for first 12 months (from Warranty Start Date), Online Support Portal and email support for remainder of Warranty Period.
